## FMGE ( NEXT EXAM ) CLASSES

Since 2005, the Georgian American University (GAU) is serving to establish International Standards of Education & Develop highly competitive professional and successful individuals, leaders with high emotional intelligence.

GAU offers two programs where studies are held in english : Medical Doctor ( MD ) program and business administration ( BBA, MBA ).

Hospital for Clinical Training and Internship : American Hospital Tbilisi , Tbilisi Central Hospital.

School of medicine (Medical Doctor Program ) : " The goal of the MD program is to train knowledge, competitive doctors committed to life-knowledge, by life-long learning in accordance with international standards set by world federation for medical education".

GAU MD (Medical Doctor) program has partly integrated curriculum and is 5.8 year (360 ECTS credits) as per student choice of medical program designed to raise competitive and highly qualified doctors who will meet the challenges of the 21st century.

One of the main features of GAU MD curriculum is meeting requirements set out in global standards of undergraduate medical education of WFME (World Federation for Medical Education).

GAU is the leader among universities in Georgia by the number of exchange programs per student. We offer fully- financed exchange programs to more than 20 countries in Europe and USA both for student and academic personnel. GAU provides scholarship for students.

GAU recognized by WHO (World Health Organization) and NMC (National Medical Commission- India), European Council & all other countries council.
